

## **Proposed Resolution – Article 2(b)**

Whereas the articles of association Article 2(b) state that the Associate Member category is defined as

***“Businesses, organizations or individuals who do not qualify as Industry Members but who wish to belong to the Association including suppliers and professionals who supply products and services to Industry Members”***

Whereas a governance review conducted by the Board of Directors of the Tourism Industry Association of Newfoundland and Labrador (trading as Hospitality Newfoundland & Labrador) has proposed that Article 2(b) Associate Members be changed to read: – ***Any businesses, organizations, individuals, “not for profit” and/or representative organizations who do not qualify as Industry Members, but wish to be a members of the Association. Associate Members include suppliers and professionals who supply products or services to Industry Members; “not for profit” organizations that deliver tourism services; incorporated businesses, sole proprietors or partnerships that have a vested interest in the tourism industry or provide some tourism services, but whose operations are not primarily dependent on tourism;***

It is therefore resolved that the Tourism Industry Association of Newfoundland and Labrador (trading as Hospitality Newfoundland & Labrador) articles of association ratified February 26th, 2019, Article 2(b) be amended to read:

***“Any businesses, organizations, individuals, “not for profit” and/or representative organizations who do not qualify as Industry Members, but wish to be a members of the Association. Associate Members include suppliers and professionals who supply products or services to Industry Members; “not for profit” organizations that deliver tourism services; incorporated businesses, sole proprietors or partnerships that have a vested interest in the tourism industry or provide some tourism services, but whose operations are not primarily dependent on tourism;”***
